New Guidelines and Requisitions for Testing and Consultation Release Forms

We're excited to announce that our new **Requisitions and Release of Information Forms** are now **live on our website!** This streamlined process for **requesting consultations and additional testing** makes it easier than ever to submit requests and ensure smooth processing.

What's New?

- **Fillable PDF Options:** We've updated our forms to include easy-to-use **fillable PDFs**, making submission quick and simple.
- **Expanded Testing Options:** We now offer additional testing, including **Solid Tumor Testing, Special Stains Testing**, and more, all available through our updated requisition forms.
- **Did You Know?** SBMF offers **consultation services for outside pathology slides**. Now, you can easily request expert review for your cases with our updated forms.

How It Works:

1. **Visit the guidelines:** Get familiar with the requirements and process at the following links:
 - [Outside Pathology Consultation Guidelines](#)
 - [Release of Information Guidelines](#)
2. **Download & Complete the Appropriate Form:** Please fill out the **correct requisition** for your request. Forms are listed on the website under the **Downloads** section; simply scroll down to the **Test Requisitions** section to find the forms you need.
 - **Solid Tumor Testing Requisition:** [Download Here](#)
 - **Special Stains Testing Requisition:** [Download Here](#)
 - **Pathology Consultation Request:** [Download Here](#)
 - **Outside Pathology Consultation Request:** [Download Here](#)
3. **Submit Your Request:** Once completed, simply submit the form via fax to **574-807-3162**.

Important Reminder:

- **We cannot process requests without the appropriate requisition or release form.** This is a new procedure, so please make sure to include the correct form and required information with your request.
- For any questions or assistance, please call us at **574-234-4176**.

We are here to help make your testing and consultation requests easier and more efficient. By using our new **fillable PDFs** and streamlined process, we can ensure faster, more accurate service to meet your needs.
